(N) = students tested. *Statistics not reported for groups with fewer than six members.

Includes results for ALL STUDENTS tested at the campus through second administration of the indicated tests (see title) in either year. IMPORTANT: STATISTICS ARE NOT BASED ON ESTIMATES OF ACCCOUNTABILITY SUBSETS. Students may be counted twice if ID numbers were incorrectly reported and they were administered both English and Spanish tests. Gains calculated from percentages before rounding. Prior-year statistics reported here may differ from last year's reports if data corrections were made in the interim.
